**THE PEAKS INDUSTRIAL METROPOLITAN DISTRICT
2021 BUDGET**

SUMMARY OF SIGNIFICANT ASSUMPTIONS

Services Provided

The District was organized to provide construction, installation, financing and operation of certain public improvements and facilities, including streets, street lighting, traffic and safety controls, water improvements, sanitary sewer and storm drainage improvements, landscaping, and park and recreation improvements. The District prepares its budget on the modified accrual basis of accounting

Revenue

The primary source of funds for 2021 is property taxes. The District anticipates imposing a mill levy of 25.000 mills for the budget year 2021 for operations and maintenance expenses, which will yield \$102,736 in property tax revenue. Revenue received from specific ownership taxes, if any, is based on a sharing of the collection of vehicle ownership taxes pooled by the County. The estimate is based on a ratio to property taxes.

Administrative Expenses

Administrative expenses have been budgeted based on estimates of the District's Board of Directors and consultants to include services necessary to maintain the District's administrative viability, such as legal, accounting, managerial, general engineering, insurance, meeting expenses and other administrative costs and expenses.

Emergency Reserve

The District has provided for an emergency reserve fund equal to at least 3% of fiscal year spending for 2021, as defined under TABOR.
